First and foremost, I would like to have a specific, written definition of "At or Near". That's way too nebulous as it stands. | A few points of clarification that may have been lost during the transition between DHS Secretaries and policy shifts. Please hold a staff meeting to discuss the below and answer any questions from your respective officers.  |
| Courthouse Arrests:  |
| As discussed on the May 9, 2017, AOR call, I want to reiterate the importance of following previously established and published courthouse arrest guidance. Consistent with the original October 21, 2015, ERO Taskings from Assistant Director Jon Gurule, and subsequent guidance, enforcement actions at or near courthouses will only be undertaken against: |
| [*Priarity #1[a]]: aliens engaged in or suspected of terrorism or espionage, or who otherwise pose a danger to national security; (note that for courthouse arrests, public safety has been removed from Priority 1 definitions).  |
| [*Priority #1[c)]: aliens convicted of an offense for which an element was active participation in a criminal street gang, as defined in the November 20, 2014 Johnson memorandum; (for this Priority, we focus on the active participation in a street gang, with or without a related conviction).   |
| [*Priority #1(d)]: aliens convicted of an offense classified as a felony in the convicting jurisdiction, other than a state or local offense for which an essential element was the alien's immigration history;   |
| [*Priority #1[e]): aliens convicted of an "aggravated felon," as that term is defined in section 101(a)(43) of the Immigration and Nationality Act at the time of the conviction.  |
| For the sole purpose of the courthouse guidance, the spirit of the prior enforcement priorities noted above remain in place. I have left the Priority labels attached in this email.   |
| Keeping FOD Longshore's guidance in place, surveillance is considered to be an enforcement action (attached).  (b)(7)(E)  Likewise,  |
| enforcement actions at or near courthouses will only take place against specific, targeted aliens with no action   |
| taken against family members or aliens accompanying the target to court. The Lindsey-Flanigan Courthouse in  |
| Denver is a cumbersome venue that does not easily conform to this guidance because of the public courtyard in which many of our arrests are made. (b)(7)(E)  |
| (b)(7)(E)  |

This is the messaging I am making publicly to all stakeholders and I must be able to make that promise with a strong degree of conviction that Denver officers are abiding by HQ ERD and local FOD instructions.

## Certain Victims, Witnesses, and Plaintiffs:

Absent special circumstances or aggravating circumstances such as egregious or violent criminal histories, aliens identified as , or known to be the immediate victim or witness to a crime will be given a greater level of deference and prosecutorial discretion before arresting or removing such an alien. It is often difficult to determine if a targeted alien is a victim, witness, or plaintiff, as these individual are under no obligation to selfidentify or inform ICE of their status. Therefor it is incumbent upon each officer to diligently review cases carefully for indicators of such status, including conversations with attorneys of record when necessary.

### **VAWA**

VAWA regulations protect certain self-identified abused or battered aliens or victims of domestic violence. In these very narrowly defined cases (guidance attached), special provisions must be followed by ICE ERO officers. In these cases, courthouses are defined as sensitive locations by regulation and must be treated as such. Likewise, ICE ERO officers must independently verify the removability of such aliens, and specific annotations must be made on the NTA prior to filing with EOIR.

Each of the policies discussed in this email are attached. First line supervisors and officers are required to read them carefully and sign the attached read-and-initial sheets (one sheet per office). Supervisors from each by COB May 19, 2017. AFODs may grant extensions for good cause at their discretion.

This is the only guidance I have on (Enforcement Actions at or near a Courthouse). I don't see anything regarding the need for the FODs approval when arresting a P1 alien at the courthouse. If there is more guidance stating as such could you please forward it to me so I can put it out to the troops?

Subject: Guidance Update: Enforcement Actions at or Near Courthouses

This message provides important guidance concerning ERO enforcement actions at courthouses, and has been updated to incorporate the enforcement priorities as set forth in Secretary Johnson's November 20, 2014 memorandum, *Policies for the Apprehensian, Detention, and Removal of Undocumented Immigrants.*"

- Enforcement actions at or near courthouses will only be undertaken against:
  - CODE: P1A Priority #1(a): aliens engaged in or suspected of terrorism or espionage, or who otherwise pose a danger to national security;
  - CODE P1C Priority #1(c): aliens convicted of an offense for which an element was active
    participation in a criminal street gang, as defined in the November 20, 2014 Johnson memorandum;
  - CODE P1D Priority #1(d): aliens convicted of an offense classified as a felony in the convicting jurisdiction, other than a state or local offense for which an essential element was the alien's immigration history;
  - CODE PIE Priority #1(e): aliens convicted of an "aggravated felon," as that term is defined in section 101(a)(43) of the *Immigration and Nationality Act* at the time of the conviction.
- Enforcement actions at or near courthouses will only take place against specific, targeted aliens, rather
  than individuals who may be "collaterally" present, such as family members or friends who may
  accompany the target alien to court appearances or functions.
- Enforcement actions at or near courthouses will, wherever practicable: (1) take place outside public areas of the courthouse; (2) be conducted in collaboration with court security staff; and (3) utilize the court building's non-public entrances and exits.

Questions regarding this guidance may be directed to your chain of command.

### Videos Raise New Questions about ICE's Tactics of Arresting Immigrants at Court

The Meyer Law Office, PC will conduct a press conference today to discuss these videos, their implications for immigrants to appear in Denver courts as witnesses, victims, or defendants, and the ongoing need for a proactive Denver sanctuary policy to protect sensitive locations:
