

# 2021 IMPACT

## KEEPING EYES ON ICE

**1,610** ICE raids documented on IDP's ICEWatch map.

## SMART BORDERS OR A HUMANE WORLD?

IDP's Surveillance, Technology, and Immigration Policing Project and the Transnational Institute's report **challenges the dominant notion that tech-fueled "smart borders" are a humane alternative to physical walls.**

## HOTLINE

**1,020** community members and attorneys contacted IDP's hotline for advice.

## IMMIGRANT DEFENSE PROJECT

## ICE ABUSES POWER

IDP won a **landmark damages settlement** for an HIV positive client against ICE and secured a judgment from a federal judge that ICE perpetrated a crime against our client.

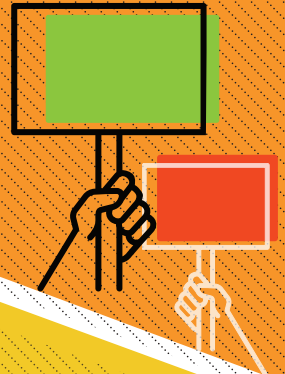

## Building Across Movements

Through the **Justice Roadmap**, IDP and criminal justice allies helped pass 7 bills in New York state that protect the rights of vulnerable communities and incarcerated people, including a law that legalizes marijuana.

## FORTIFYING THE MOVEMENT

IDP trained more than **300 people in 10 states** on new opinion research on how to fight the criminalization of immigrants. **337 attorneys and advocates** attended our "crimm-imm" training series.

## PROTECTION THROUGH PARDONS

IDP supported **dozens of pardon requests**, including the successful campaign to win clemency for Roland Sylvain. Roland, who came to the U.S. at age 7, faced deportation for signing the wrong name on a traffic ticket.
