

Superseding Processing Guidelines for “Rolling Operations” and Operation Palladium

All ERO field offices will participate in Operation Palladium, in conjunction with HSI, as a force-multiplying enforcement effort. All ERO field offices will report all arrests under the “Operation Crosscheck 2020” event code.

ERO Field Offices will report manually tracked arrest statistics to the HQERO FugOps mailbox, (b) (7)(E) @ice.dhs.gov.

- ERO Atlanta, Chicago, Denver, Houston, Los Angeles, New York City, and San Francisco are Operation Palladium surge sites.
 - **These AORs will discontinue scheduled rolling operations; however, all ERO field offices will report all arrests under the “Cross Check 2020” event code.**
- **All other field offices will continue their scheduled rolling operation dates, and all ERO field offices will report all arrests under the “Cross Check 2020” event code.**
