ALL,

ICE/ERO has expanded the number of locations from the original request of (b)(7)(E) within those Field Office AORs. This was a last minute change, that was not expected, discussed, nor planned for. After de-conflicting the locations and numbers with OFO, USBP will be deploying personnel (b)(7)(E) Below (and attached) is an updated breakdown of the locations, number of personnel per location, and the number of rental vehicles authorized for that location. Updates and changes are in red. The POCs for local coordination are also included.

Understood that the below changes may necessitate a change in personnel from the rosters that have been submitted. The due date for the rosters remains the same, NLT 12:00PM (EST) Friday January 24, 2020, sooner if able. Please don't hesitate to call or email with any questions.

I think they might prefer that. They could have their vehicles to use off duty and will have a lot of luggage if they are gone that long.

(b)(6), (b)(7)(C) what is the breakdown for SOG?

(b)(7)(E)  
(b)(7)(E) We won't have any problem with volunteers just wondering if I can spread the wealth.

ICE/ERO has expanded the number of locations from the original request of (b)(7)(E) (b)(7)(E) within those Field Office AORs. This was a last minute change, that was not expected, discussed, nor planned for. After de-conflicting the locations and numbers with OFO, USBP will be deploying personnel (b)(7)(E) Below (and attached) is an updated breakdown of the locations, number of personnel per location, and the number of rental vehicles authorized for that location. Updates and changes are in red. The POCs for local coordination are also included.

Understood that the below changes may necessitate a change in personnel from the rosters that have been submitted. The due date for the rosters remains the same, NLT 12:00PM (EST) Friday January 24, 2020, sooner if able. Please don't hesitate to call or email with any questions.
